About Australian Wine 關於澳洲葡萄酒

Good quality grapes can be grown in Australia as there is sunny, pleasant & stable climate, mineral-rich soils and unpolluted environment. Coupled with the innovative & outstanding techniques of winemakers, Australian wines show distinctive character and vitality.

Aging is not necessary for most of the Australian wines. People can taste the excellent quality even in their young ages. Unwritten agreement between Australian wine industry that they will never make cheap and low-end wines. They focus on quality rather than quantity. Now we can try economic but superior quality Australian wines, acclaimed as the best New World Wine by many wine critics.

澳洲陽光充足，氣候優良穩定，土地礦物質豐富和擁有不受污染的環境，因此能種植出最好的葡萄。釀酒師具有銳意創新，出類拔萃的釀酒技術，使澳洲葡萄酒充滿個性和活力。

大部分澳洲酒不需要陳年，年輕時飲用味道已極佳。澳洲酒的同業有個不成文的默契，絕不釀製價格低廉的低級酒，把注意力放在質量而不是數量上，因此出產平實但質量出眾的葡萄酒。澳洲葡萄酒是大多數酒評家公認最好的新世界葡萄酒。
